

## COMMUNICATION

In consideration of the large foreign population in Tibi and with the objective of assisting all the neighbours with language difficulties for a greater and better integration, the City Council will allocate a subsidy from the Provincial Council as well as a part of the income from the municipal budget to the temporary hiring of personnel with linguistic qualifications in several languages (English, French and German) in order to facilitate the purposes herein through the following actions:

- Advice on administrative procedures with direct attention.
- Accompanying to the health centres located in Tibi and Jijona.
- Psychosocial orientation workshops.
- Language reinforcement: Spanish for foreigners and English for civil servants.
- Translation when developing cultural visits in the surroundings of Tibi.

For the best functioning of the Foreign Assistance Service, it will be necessary to contact the City Council via telephone number 965 61 71 02 asking for **Irene** or through the municipal electronic office in order to request an appointment with the Languages Technician. The following information must be included in the request:

- Name and surname.
- Urbanisation and parcel number.
- Language to communicate.
- Matter for which you need the interpreter's help.

The Departments of ADL (Local Development Agency), Social Services and Urbanisations, as promoters, hope that this new service will be very useful and encourage you to request it from **April 1**.

Tibi, on the date of the electronic signature.

Councilor for Citizen Participation,

Fdo. Julia Cartagena de la Peña.
